## Chapter 1 by Jordan Lee

What does you ride or die, or in other words your bestie for the restie mean to you??

## Chapter 2 by Meh.

For me My ride or die ((Jo Jo)according to my Instagram bio) Means having someone there for you all the time, eating whipped cream and Snap chatting each other while you're sitting right next to each other. Telling them everything and everything, (even if that is only half of it)

According to the pop up on Google, a ride or die is

(1) Ride or Die - when you love someone so much that your willing to do anything for them, even if it kills you. Just because they mean that much to you.

(2) A Hip Hop spin on the popular mythology of Bonnie and Clyde, the ride-or-die chick refers to a woman who has undying loyalty for her partner and is willing to stand by them through anything, even in the face of death

(3)A "ride-or-die chick" (also known as a "down-a chick" or "down-a bch") is a term used in hip hop to describe a woman willing to support her man and his illicit lifestyle despite how this might endanger or harm her. Sometimes this is portrayed as a more passive "support and love regardless of their transgressions" role[1] but oftentimes it requires women to take an active role in these transgressions and manifests in a "willingness to help men in dangerous situations," and "a sense of shared risk." [2] It is often referred to as a hip hop manifestation of

the Bonnie and Clyde dynamic.
